## **Manistee to receive infrastructure funds**

**LANSING** – The city of Manistee was awarded a Community Development Block Grant of \$292,300 to make infrastructure improvements, announced Sen. Michelle McManus, R-Lake Leelanau and Rep. David Palsrok, R-Manistee.

“Washington Street is in desperate need of repair,” McManus said. “These improvements will be a great benefit to the residents of Manistee.”

The funds will be used to make improvements to Washington Street, including milling and resurfacing the street.

“Great progress has already been made on revitalizing Washington Street,” Palsrok said. “This grant will help to further encourage reinvestment to this important area of downtown Manistee.”
